

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Promote Policy  
and Program Coordination and Integration in  
Electric Utility Resource Planning.

Rulemaking 04-04-003  
(Filed April 1, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING  
CONFIRMING AND CLARIFYING BENCH RULING**

By letter dated April 14, 2004, a copy of which is attached to this ruling, the California Department of Water Resources (DWR) requests that two DWR contracts be allocated in this proceeding for operational and administrative purposes. At the April 30, 2004 prehearing conference (PHC) in this proceeding, Pacific Gas and Electric Company (PG&E) stated that it was treating the DWR letter as a petition for modification of Decision 02-09-053, and that it was planning to submit comments in response to the request on May 14, 2004. San Diego Gas & Electric Company (SDG&E) suggested that a ruling setting a schedule for comments be issued. By bench ruling made at the PHC, the PG&E/SDG&E approach was adopted.

**IT IS RULED** that comments on the Department of Water Resources request set forth in the attached letter may be filed in this proceeding and are due May 14, 2004. Comments should not be filed in Rulemaking (R.) 01-10-024. This ruling shall be served on the service lists for this proceeding and R.01-10-024.

Dated May 4, 2004, at San Francisco, California.
